Required Text(s): Financial & Managerial Accounting, 8th Edition. Warren, Reeve, and Fess. Southwestern.

Required supplies: Students will need a simple hand held calculator.

COURSE OBJECTIVES:

This class is designed to build upon knowledge and understanding of financial statements utilized in the business world today and how they are prepared. This is the second class of a two part series.

Course content:

1. Basic concepts and principles in managerial accounting.
2. Set up and maintain a job cost accounting system.
3. Set up and maintain a process cost accounting system.
4. Set up and maintain a system of budgeting.
5. Performance evaluation and variance analysis.
6. Performance evaluation for decentralized operations.
7. Differential analysis and product pricing.
8. Capital Investment analysis.

Attendance Policy/Tardiness/Make-Up Work:

COURSE REQUIREMENTS: Students are expected to attend all classes and to be present on time. **Attendance will count as one exam grade.**

For a class that meets twice weekly the student will have deducted from a score of 100, 3 points for each absence, regardless of the reason of the absence.

Students who, in the instructor's evaluation, do not prepare for class appropriately and/or do not adequately participate will receive a grade reduction of 1 letter grade.

Grading Criteria/Tests/Projects:

All examinations must be taken as scheduled unless PRIOR permission has been received. All exams not made up by the next class meeting will result in an exam grade of -0-.

Your grade will be the simple average of all exams (including attendance grade) taken during the semester, adjusted by any reductions for insufficient participation. Exams will consist of: True/False, Multiple Choice, problems and/or essay. The final exam is NOT comprehensive.

Grading Scale:

A=90-100

B=80-89

C=70-79

D=60-69

F= below 60

Inclement Weather Procedures:

In the event the College is closed due to inclement weather additional problem assignments to be completed and turned in will be required. The instructor is aware of the fast changing and severe weather conditions in this mountainous area and urges the students to use good judgment in bad weather conditions regardless of the announced class status.

In the event of a snow delay this class will meet at the times shown above.

Academic Standards/Student Expectations/Ethics:

Students are expected to have read the assigned material and made an effort to do the assigned homework prior to class. Students will be expected to fully participate in the presentation of homework problems and class discussions.

Exams are expected to be taken when scheduled. A student must receive permission from the instructor **PRIOR** to the exam to miss an exam. It is the instructor's discretion as to what constitutes a viable reason for missing an exam. Students missing an examination, without the instructor's permission, will be required to make up the exam before the next class meeting. **Cheating, in any form, will not be tolerated. Any student caught cheating will be given a class grade of "F" and referred to the Disciplinary Council for further appropriate action.**

If a student has not been in contact with the instructor and has not attended class for a consecutive two-week period, an administrative withdrawal will be submitted by the instructor.

Withdrawal Dates:
SPRING 2004

End of unconditional withdrawal: Monday, February 13
End of conditional withdrawal: Monday, March 27

Any student requesting special accommodations for this course due to a disability should apply for services through the SOAR Office or the Counseling Center, which will document the disability. A counselor will then help determine which accommodations, if any, the student needs for success in this course.
