

MAYLAND COMMUNITY COLLEGE
Welcomes You To:

HOR 114—Section 10
Landscape Construction
3 credit hours, 4 contact hours

Summer 2007

Course Description

This course introduces the design and fabrication of landscape structures/features. Emphasis is placed on safety, tool identification and use, material selection, construction techniques and fabrication. Upon completion, students should be able to design and construct common landscape structures and features.

Prerequisites: None

Corequisites: None

Instructor Information

Instructor: Phillip R. Johnson. B.S. North Carolina State University
Office Location: Public Safety Building
Telephone Number: 828-765-7351 Ext 287

Course Information

Monday and Wednesday 8am – 11:50 am

Required Text(s): Landscape Construction Sauter

Course Objectives/Competencies:

- Obtain a working knowledge of landscape structures and their fabrication.
- Utilize construction tools in a safe and efficient manner.
- Obtain a working knowledge of landscape construction materials.
- Design and implement necessary landscape structures/features.

Attendance Policy/Tardiness/Make-Up Work:

Students will be expected to attend all class sessions. If you fail to attend, your presentations and assignments will be lacking the integration of classroom material, and you will naturally receive lower grades. Your attendance will count as part of your final grade.

Grading Criteria/Tests/Projects:

Tests: Tests are generally multiple choice, short essay, short answer, and laboratory examination of practical skills. If a test is missed with a valid excuse, it must be made up within 1 week of the date it was given or it is an automatic failure.

Assignment Type: Special assignments will be assigned by instructor during the course of the semester.

Grading Scale:

A= 90-100
B= 80-89
C= 70-79
D= 65-69
F= Below 65

1. Mid-term Exam	100 points
2. Final Exam	100 points
3. Lab, participation, assignments/ attendance	100points

Late Assignments: Your assignments are due on time. Any assignment that is one class meeting late – without a valid excuse – will be marked down by five (5) points off the assignments grading scale.

Academic Standards/Student Expectations/Ethics:

It is unethical to use or present any other person’s work as your own. This includes paraphrasing and/or directly copying from other students, published material, and other non-published sources (ex: The Internet). If you use a book, article, or the Internet as a resource – cite the material.

Withdrawal Dates:

Summer 2007

End of Unconditional Withdrawal	Thursday, June 21, 2007
End of Conditional Withdrawal	Tuesday, July 16, 2007

The following ADA statement: Any student requesting special accommodations for this course due to a disability should apply for services through the SOAR Office of the Counseling Center, which will document the disability. A counselor will then help determine which accommodations, if any, the student needs for success in this course.
