

**MAYLAND COMMUNITY COLLEGE  
Welcomes You To:**

**HOR : 134 – 10 Greenhouse Production  
Credit 3hrs – Contact 4hrs.**

**Fall 2007**

**Course Description**

This course covers the principles and procedures involved in the operation and maintenance of greenhouse facilities. Emphasis is placed on the operation of greenhouse systems, including the environmental control, record keeping, scheduling, and production practices. Upon completion, students should be able to demonstrate the ability to operate greenhouse systems and facilities to produce greenhouse crops

**Prerequisites:** none

**Corequisites:** none

**Instructor Information**

**Instructor:** Phillip R. Johnson B.S., NCSU

**Office Location:** PS 9

**Telephone Number:** 828 765 7351

**E-mail Address:** pjohnson@mayland.edu

**Office Hours:** As posted

**Course Information**

**Required Text(s):** The Commercial Greenhouse 2<sup>nd</sup> Edition, Boodley

**LRC Resources:** As Assigned.

**Required supplies:** N/A

**Course Objectives/Competencies:**

1. Understand various structures.
2. Understand system operations and techniques
3. Demonstrate appropriate crop scheduling procedures
4. Perform practical greenhouse applications.

**Attendance Policy/Tardiness/Make-Up Work:**

Students will be expected to attend all class sessions. If you fail to attend, your presentations and assignments will be lacking the integration of classroom material, and you will naturally receive lower grades. Your attendance will count as part of your final grade.

Late Assignments: Your assignments are due on time. Any assignment that is one class meeting late - without a valid excuse - will be marked down by five (5) points.

Tests: Tests are generally multiple choice, short essay, short answer, and laboratory examination of practical skills. If a test is missed with a valid excuse, it must be made up within 1 week of the date it was given or it is an automatic failure.

**Grading Criteria/Tests/Projects:**

- |  |                  |
|--|------------------|
| 1. Mid-term Exam   | 100 points       |
| 2. Final Exam  | 100 points       |
| 3. Lab / Participation                                       | 100 points Total |
| 4. Attendance - will affect grade at instructors discretion. |                  |

**Grading Scale:**

90-100	A
80-89	B
70-79	C
60-69	D
59 below	Fail

**Inclement Weather Procedures**

Check with school or listen to local radio station for weather delays and school closings. You are to use your best judgment about coming to class in bad weather.

**Academic Standards/Student Expectations/Ethics:**

It is unethical to use or present any other person's work as your own. This includes paraphrasing and/or directly copying from other students, published material, and other non-published sources (ex: The Internet). If you use a book, article, or the Internet as a resource - cite the material.

**Withdrawal Dates:**

**FALL 2007**

**Drop / Add Aug. 20-24**

**END OF UNCONDITIONAL WITHDRAWAL SEPT. 25**

**END OF CONDITIONAL WITHDRAWAL , Nov. 1**

**The following Administrative Withdrawal statement: If a student has not been in contact with the instructor and has not attended class for a consecutive two-week period, an administrative withdrawal will be submitted by the instructor.**

**The following ADA statement: Any student requesting special accommodations for this course due to a disability should apply for services through the SOAR Office or the Counseling Center, which will document the disability. A counselor will then help determine which accommodations, if any, the student needs for success in this course**
