

**I. TUITION AND FEES GENERAL REQUIREMENTS**

Tuition and fees shall be charged in accordance with state statutes and according to schedules established by the North Carolina State Board of Community Colleges (“State Board”) and/or the College’s Board of Trustees (“Board”). The State Board establishes a general and uniform semester tuition rate for curriculum students. The State Board establishes both a North Carolina resident rate and a nonresident rate. Whether a student is a resident for tuition purposes shall be established in accordance with N.C.G.S. § 116-143.1 and -143.3 (for purposes of Armed Forces personnel and their dependents). For more information concerning residency requirements, see Policy 6.1.2 – Tuition Residency Requirements. The rate for auditing a course is the same as taking the course for credit (with the exception of Senior Citizens).

**II. TUITION AND REGISTRATION FEE WAIVERS**

The North Carolina General Assembly and the State Board have promulgated statutes and administrative regulations dealing with authorized groups of students with respect to tuition and registration fee waivers. For information concerning tuition and registration waivers, see N.C.G.S. §§ 115B-1, 115D-5, 1E SBCCC 800.2 and the [North Carolina Community Colleges Tuition and Registration Fee Waiver Reference Guide](#).

To obtain a tuition and registration fee waiver, individuals must establish proof of eligibility as a member of an authorized group. To be eligible for a tuition or registration fee waiver, trainees enrolled in Basic Law Enforcement Training (BLET) courses must obtain a letter of sponsorship from a state, county, or municipal law enforcement agency prior to enrollment and uphold the terms of the sponsorship until completion of the BLET course. The College must maintain documentation of the sponsorship on file. The College shall not grant tuition and registration fee waivers to students enrolled in self-supporting courses. The College shall charge the student the self-supporting fee or use institutional funds to pay for the self-supporting fee on the student’s behalf.

Annually, the President shall report to the State Board the amount of tuition and registration fees waived by the College on behalf of individuals who are members of authorized groups.

#### **IV. TUITION AND FEE DEFERMENT**

All Curriculum students, after registering for courses for the specific term, must pay or establish a payment plan through a provider approved by the College on or before a specific date prescribed by the College that is on or before the first date of the course section. Students applying for financial aid that completed their application before the established deadline, and appear to be eligible for assistance, will be allowed to remain in their courses until the census date to allow additional time for financial aid to be processed. Students that did not apply for financial aid prior to the established deadline may establish a payment plan.

- A. Students wanting to enroll but lacking funds to pay tuition and fees must meet one of three criteria prior to the census date of the course to defer their payment beyond the payment deadline set by the registrar's office:
  - 1. Must have applied for financial aid by the application deadline set by the financial aid office and, through preliminary review, appear to qualify for assistance;
  - 2. Must provide (or have their sponsor provide) documentation in writing from a valid third party agency that the student may be sponsored by the third-party agency once a final review is complete; or
  - 3. Must enroll in a payment plan to satisfy the outstanding balance through a third-party provider contracted by the College. All balances must be paid before the last day of the semester.
  
- B. Students who have not completed all requirements by the financial aid office, not supplied a final authorization from their third-party agency or who fail to pay the balance owed by the end of the semester will be subject to the following restrictions until payment in full has been received or until assistance is granted to satisfy the account balance:
  - 1. Grades for the term shall be withheld;
  - 2. Transcripts shall not be released;
  - 3. Registration for future terms shall not be permitted without an approved payment plan; and
  - 4. Permission to participate in graduation shall be denied.
