

Catalog Addendum 2022-2023

Page 64 (the following text replaces the text in this section):

Disbursement Procedure

Students will receive instructions on how to select a refund preference with BankMobile Disbursements, a technology solution, powered by BMTX, Inc. in the mail and email after registering for classes for the first time. Upon receipt of the information, students are instructed to select their refund preference. After all tuition, fees, and bookstore charges have been deducted from their financial aid, disbursements will be made available according to the college's financial aid disbursement schedule, which can be found at <https://www.mayland.edu/financial-aid/important-announcements/>.

Financial Aid awards for classes beginning mid-semester will not be disbursed until after the start date of the class.

Delayed Payment of VA Benefits Policy

Mayland Community College is approved to offer GI BILL® educational benefits by the North Carolina State Approving Agency for Veterans Education and Training.

Mayland Community College requires all covered individuals to submit a written request of certification of their enrollment each semester for which they plan to use their Chapter 31 or 33 entitlement benefits. The certification request for Veteran's Affairs (VA) Educational Benefits must be submitted no later than the last day to drop and receive a refund for the respective term.

Any covered individual will be permitted to attend or participate in a course of education during the period beginning on the date on which the individual provides to Mayland Community College a Certificate of Eligibility for entitlement to educational assistance under Chapter 31 or 33 (a "certificate of eligibility" can also include a Statement of Benefits obtained from the Department of Veteran's Affairs (VA) website, eBenefits, or a VAF 28-1905 form for Chapter 31 authorization purposes) and ending on the earlier of the following dates:

- The date on which payment from VA is made to Mayland Community College.
- 90 days after the date Mayland Community College certified tuition and fees following the receipt of the certificate of eligibility.

Due to the delayed disbursement of funding from the VA under Chapter 31 or 33, Mayland Community College will not assess a late penalty fee, deny access to classes, libraries, or other institutional facilities, or require a covered individual to borrow additional funds because of the individual's inability to meet his or her financial obligations to Mayland Community College for the VA delay.

Mayland Community College reserves the right to follow normal collection procedures for any difference between the amount of a covered individual's financial obligation and the amount of the VA education benefit disbursement.
